

## ENDOWMENT FUND FOR INDIGENOUS POST-SECONDARY EDUCATION APPLICATION

---

Dear Applicant:

Thank you for your interest in the Endowment Fund for Indigenous Post-Secondary Education. Griffith and Christina Lloyd established this fund in March 2010 to help support Indigenous youth seeking to enter or continue post-secondary education. The Endowment Fund is a yearly scholarship that is available to Indigenous youth (18–29 years old) enrolled in full-time post-secondary studies. Our priority is for students demonstrating both financial need and academic excellence. The scholarship may be awarded for multiple years to support the studies of selected candidates.

The application and all supporting documents are due by **March 15 each year**. Applications that do not fit the following criteria will not be accepted. In addition, incomplete applications will not be accepted.

Eligibility criteria:

- ✓ You are Indigenous (First Nation–status/non-status, Inuit, or Métis).
- ✓ You are a young person between the ages of 18 and 29.
- ✓ You are enrolled in an accredited Canadian and/or international post-secondary educational institution (university or college) in full-time studies.
- ✓ You are in financial need.
- ✓ You have demonstrated good academic performance with a minimum 2.50 grade point average.

Once you submit your application, a committee made up of six Indigenous volunteers from across the country will review your application using a blindfold process. A blindfold process removes all identification details from your application. A decision letter will be sent to you in late May or early June.

If you have any questions, please contact the Healing Programs Coordinator or Programs Assistant in Indigenous Ministries and Justice. Good luck!
